

Hi, I'm John Anthony Eguia
Graphic and UI/UX Designer

What sets me apart is my ability to blend aesthetics with functionality seamlessly. I believe in the power of design to communicate ideas and evoke emotions, and I'm dedicated to bringing your vision to life through innovative digital solutions.

I graduated with a BS in Computer Engineering from Batangas State University in 2024, but my true passion lies in graphic and UI/UX design. I specialize in creating visually appealing and user-friendly designs using tools like Photoshop, Illustrator, Figma, and Canva.

Your Ultimate Graphic Partner

I am passionate about blending technology and creativity, particularly in graphic design and user experience. I enjoy using tools like Adobe Photoshop, Illustrator, Canva, and Figma to create visually appealing and functional designs.

I graduated from Batangas State University in 2024 with a Bachelor of Science in Computer Engineering. However, my true passion lies in the world of graphic and UI/UX design. Throughout my academic journey, I discovered my love for creating visually compelling and user-friendly designs. My technical background in computer engineering has provided me with a unique perspective and a strong foundation in problem-solving and analytical thinking, which I apply to my design work. I am dedicated to continuous learning and staying updated with the latest design trends and technologies.
